PRELIMINARY INJUNCTION ORDER

THIS CAUSE being before the Court on Plaintiff Deckers Outdoor Corporation's ("Deckers") Motion for Entry of a Preliminary Injunction, and this Court having heard the evidence before it hereby GRANTS Plaintiff's Motion for Entry of a Preliminary Injunction in its entirety against the defendants identified in Amended Schedule A attached hereto (collectively, the "Defendants").

This Court finds that injunctive relief previously granted in the Temporary Restraining Order ("TRO") should remain in place through the pendency of this litigation and that issuing this Preliminary Injunction is warranted under Federal Rule of Civil Procedure 65. Evidence submitted in support of this Motion and in support of Deckers' previously granted Motion for a Temporary Restraining Order establishes that Deckers has a likelihood of success on the merits; that no remedy at law exists; and that Deckers will suffer irreparable harm if the injunction is not granted. Specifically, Deckers has proved a *prima facie* case of trademark infringement because (1) the UGG Trademarks are distinctive marks and are registered with the U.S. Patent and Trademark Office on the Principal Register, (2) Defendants are not licensed or authorized to use any of the UGG Trademarks, and (3) Defendants' use of the UGG Trademarks is causing a likelihood of confusion as to the origin or sponsorship of Defendants' products with Deckers. Deckers has also proved a *prima facie* case of violations of the Anticybersquatting Consumer Protection Act of 1996 ("ACPA") because it has demonstrated that Defendants have bad faith intent to profit from the UGG Trademarks and have registered, trafficked in, or used domain names that are identical or confusingly similar to or dilutive of Deckers' distinctive and famous UGG Trademarks. Furthermore, Defendants' continued and unauthorized use of the UGG Trademarks irreparably harms Deckers through diminished goodwill and brand confidence, damage to Deckers' reputation, loss of exclusivity, and loss of future sales. Monetary damages fail to address such damage and, therefore, Deckers has an inadequate remedy at law. Moreover, the public interest is served by entry of this Preliminary Injunction to dispel the public confusion created by Defendants' actions. As such, this Court orders that:

1. Defendants, their affiliates, officers, agents, servants, employees, attorneys, confederates, and all persons acting for, with, by, through, under or in active concert with them be preliminarily enjoined and restrained from:

   a. using Deckers' UGG Trademarks or any reproductions, counterfeit copies or colorable imitations thereof in any manner in connection with the distribution, marketing, advertising, offering for sale, or sale of any product that is not a genuine UGG Product or not authorized by Deckers to be sold in connection with Deckers' UGG Trademarks;

   b. passing off, inducing, or enabling others to sell or pass off any product as a genuine UGG Product or any other product produced by Deckers, that is not Deckers' or not produced under the authorization, control or supervision of Deckers and approved by Deckers for sale under Deckers' UGG Trademarks;

c. committing any acts calculated to cause consumers to believe that Defendants' products are those sold under the authorization, control or supervision of Deckers, or are sponsored by, approved by, or otherwise connected with Deckers;

d. further infringing Deckers' UGG Trademarks and damaging Deckers' goodwill;

e. otherwise competing unfairly with Deckers in any manner;

f. shipping, delivering, holding for sale, transferring or otherwise moving, storing, distributing, returning, or otherwise disposing of, in any manner, products or inventory not manufactured by or for Deckers, nor authorized by Deckers to be sold or offered for sale, and which bear any of Deckers' UGG Trademarks or any reproductions, counterfeit copies or colorable imitations thereof;

g. using, linking to, transferring, selling, exercising control over, or otherwise owning the Online Marketplace Accounts, the Defendant Domain Names, or any other domain name or online marketplace account that is being used to sell or is the means by which Defendants could continue to sell Counterfeit UGG Products; and

h. operating and/or hosting websites at the Defendant Domain Names and any other domain names registered or operated by Defendants that are involved with the distribution, marketing, advertising, offering for sale, or sale of any product bearing Deckers' UGG Trademarks or any reproductions, counterfeit copies or colorable imitations thereof that is not a genuine UGG Product or not authorized by Deckers to be sold in connection with Deckers' UGG Trademarks.

2. The domain name registries for the Defendant Domain Names, including, but not limited to, VeriSign, Inc., Neustar, Inc., Afilias Limited, CentralNic, Nominet, and the Public

Interest Registry, within three (3) business days of receipt of this Order, shall, at Deckers' choosing:

a. unlock and change the registrar of record for the Defendant Domain Names to a registrar of Deckers' selection until further ordered by this Court, and the domain name registrars shall take any steps necessary to transfer the Defendant Domain Names to a registrar of Deckers' selection until further ordered by this Court; or

b. disable the Defendant Domain Names and make them inactive and untransferable until further ordered by this Court.

3. Those in privity with Defendants and with actual notice of this Order, including any online marketplaces such as iOffer and Alibaba Group Holding Ltd., Alipay.com Co., Ltd. and any related Alibaba entities (collectively, "Alibaba"), social media platforms, Facebook, YouTube, LinkedIn, Twitter, Internet search engines such as Google, Bing and Yahoo, web hosts for the Defendant Domain Names, and domain name registrars, shall within three (3) business days of receipt of this Order:

a. disable and cease providing services for any accounts through which Defendants engage in the sale of counterfeit and infringing goods using the UGG Trademarks, including any accounts associated with the Defendants listed on Amended Schedule A;

b. disable and cease displaying any advertisements used by or associated with Defendants in connection with the sale of counterfeit and infringing goods using the UGG Trademarks; and

c. take all steps necessary to prevent links to the Defendant Domain Names identified on Amended Schedule A from displaying in search results, including, but not limited to, removing links to the Defendant Domain Names from any search index.

4. Defendants and any third party with actual notice of this Order who is providing services for any of the Defendants, or in connection with any of the Defendants' websites at the Defendant Domain Names or other websites operated by Defendants, including, without limitation, advertisers, Facebook, Internet Service Providers ("ISP"), web hosts, back-end service providers, web designers, sponsored search engine or ad-word providers, banks, merchant account providers including PayPal, Alibaba, Western Union, third party processors and other payment processing service providers, shippers, and domain name registrars (collectively, the "Third Party Providers") shall, within five (5) business days after receipt of such notice, provide to Deckers expedited discovery, including copies of all documents and records in such person's or entity's possession or control relating to:

a. The identities and addresses of Defendants, their agents, servants, employees, confederates, attorneys, and any persons acting in concert or participation with them and the locations and identities of Defendants' operations, including, without limitation, identifying information associated with Defendants' websites, the Defendant Domain Names, financial accounts and money transfers;

b. Defendants' websites and/or any Online Marketplace Accounts;

c. The Defendant Domain Names or any domain name registered by Defendants; and

d. Any financial accounts owned or controlled by Defendants, including their agents, servants, employees, confederates, attorneys, and any persons acting in concert or participation with them, including such accounts residing with or under the control of any banks, savings and loan associations, payment processors or other financial institutions including, without limitation, PayPal, Alibaba, Western Union, or other merchant account providers, payment providers, third party processors, and credit card associations (e.g., MasterCard and VISA).

5. Defendants and any persons in active concert or participation with them who have actual notice of this Order shall be temporarily and preliminarily restrained and enjoined from transferring or disposing of any money or other of Defendants' assets until further ordered by this Court.

6. Western Union shall, within two (2) business days of receipt of this Order, block any Western Union money transfers and funds from being received by the Defendants identified in Amended Schedule A until further ordered by this Court.

7. PayPal, Inc. ("PayPal") shall, within two (2) business days of receipt of this Order, for any Defendant or any of Defendants' Online Marketplace Accounts or websites:

   a. Locate all accounts and funds connected to Defendants, Defendants' Online Marketplace Accounts or Defendants' websites, including, but not limited to, any PayPal accounts connected to the information listed in Amended Schedule A hereto and the email addresses identified in Exhibits 22 and 23 to the Declaration of Graham Thatcher; and

   b. Restrain and enjoin any such accounts or funds that are China or Hong Kong based from transferring or disposing of any money or other of Defendants' assets until further ordered by this Court.

8. Any banks, savings and loan associations, payment processors, or other financial institutions, for any Defendant or any of Defendants' Online Marketplace Accounts or websites, shall within two (2) business days of receipt of this Order:

   a. Locate all accounts and funds connected to Defendants, Defendants' Online Marketplace Accounts or Defendants' websites, including, but not limited to, any accounts connected to the information listed in Amended Schedule A hereto and the email addresses identified in Exhibits 22 and 23 to the Declaration of Graham Thatcher; and

   b. Restrain and enjoin such accounts from receiving, transferring or disposing of any money or other of Defendants' assets until further ordered by this Court.

9. Deckers may provide notice of these proceedings to Defendants, including service of process pursuant to Fed.R.Civ.P. 4(f)(3), by electronically publishing a link to the Amended Complaint, this Order and other relevant documents on a website to which the Defendant Domain Names which are transferred to Deckers' control will redirect, or by sending an e-mail to the e-mail addresses identified in Exhibits 22 and 23 to the Declaration of Graham Thatcher that includes a link to said website. The Clerk of Court is directed to issue a single original summons in the name of "Xiao Mei and all other Defendants identified in the Amended Complaint" that shall apply to all Defendants. The combination of providing notice via electronic publication or e-mail, along with any notice that Defendants receive from domain name registrars and payment processors, shall constitute notice reasonably calculated under all circumstances to apprise Defendants of the pendency of the action and afford them the opportunity to present their objections.

10. Plaintiff's Amended Complaint, Schedule A to the Amended Complaint, Exhibits 22 and 23 to the Declaration of Graham Thatcher, and the TRO are unsealed.

11. Any Defendants that are subject to this Order may appear and move to dissolve or modify the Order on two days' notice to Deckers or on shorter notice as set by this Court.

12. The $10,000 bond posted by Deckers shall remain with the Court until a Final disposition of this case or until this Preliminary Injunction is terminated.
